- 2. APPLICATION** – Applications for taxation on the basis of a land use assessment must be received by April 30th in the Commissioner of the Revenue's office. This application, if approved, will be effective for the next fiscal tax year which will begin on July 1.

There is a fifty dollar (\$50) application fee for new applications; checks should be made payable to the *County of Isle of Wight Treasurer*. The application includes an Affidavit. All owners of the property must sign the application. An amended application shall be submitted whenever the use, acreage or zoning of the parcel previously approved changes.

Incorrect information on the application will be considered material misstatements and subject the owner to removal from the program with the possibility of rollback tax assessment.

- 3. CHANGE IN USE OR ZONING** - If the use of the property is changed to a non-qualifying use or if the property is rezoned to a more intensive use, this change must be reported to the Commissioner of the Revenue's Office within sixty (60) days after such change occurs. If a parcel is subdivided or a split-off parcel occurs (subdivision) rollback taxes will be applied when the parcels affected do not meet the land use qualifications.
